

Health Promotion Services

MacDill Air Force Base Health and Wellness Center (HAWC) provides health and wellness support to U.S. Air Force service members, veterans and their families, and works as an integral part of the Military Health System (MHS) to advance optimal health for disease prevention. The HAWC works in close coordination with other base agencies and coalition partners to provide health and wellness services to all beneficiaries. As part of a dedicated team of health professionals, the MacDill HAWC helps lead the way to a strong, healthier tomorrow by providing Trusted Care, Anywhere.
